## Rules

The tournament will be played under standard World Flying Disc Federation rules of Ultimate with the following exceptions:

- **Field Size:** Schools Ultimate is played on a 5-a-side field 25m x 70m with 10m endzones inside this. A diagram is available on the College Sport website.
- **Team Size:** Schools Ultimate is played 5-a-side – there are 5 players per team on the field at once.
- **Substitutions:** Players may substitute between points as per the standard rules of Ultimate. Players may also substitute DURING a point. To substitute during a point, the player leaving the field must high-five the replacement player on the side-line at midfield. It is recommended that substitutions take place while the team is on offense so that you don’t leave an opponent unmarked.
- **Pulls:** Players are encouraged to catch the pull when possible. Dropping the pull will not result in a turn-over. The pull cannot be advanced by hitting the disc forward instead of trying to catch it.
- **Stall Count:** For clarity – the stall count is 10 (as per normal rules of Ultimate)
- **Callahans:** For clarity – Callahan goals are counted (as per the normal rules of Ultimate)
