APPENDIX 1 – Protocols for schools outside the College Sport Auckland region

From time to time, schools from outside the Auckland region (Non-Member Schools) approach College Sport Auckland seeking to be involved in College Sport Auckland Competitions. The entry of any team into a College Sport Auckland Competition is at the sole discretion of the CEO. The Non-Member School has no right to appeal the CEO's decision, regarding entry into a College Sport Auckland Competition, to a higher authority. In seasonal competitions it is unlikely that more than one team from a Non-Member School would be accepted into a College Sport Auckland Competition.

At College Sport Auckland's discretion, it will accept entries from Non-Member Schools, conditional on the following requisites.

1. The request to play in a College Sport Auckland Competition must be discussed and agreed to by the Non-Member School's Principal, then approved by the relevant Regional Sports Director and/or Regional Sports Organisation.
2. The inclusion of the Non-Member School team/student in a College Sport Auckland Competition must not result in the exclusion of any Member School teams/students.
3. The Non-Member School must agree to accept all appropriate clauses within the College Sport Auckland Bylaws along with the competition rules and the associated financial requirements.
4. All seasonal fixtures shall be played in the College Sport Auckland region, unless by prior agreement with the opposition school.
5. A Non-Member School will continue to qualify for Island & National events as they currently do.
6. A Non-Member School may win outright any CSA trophies, medals and/or badges associated with the College Sport Auckland Competition.
7. The entry fee for any Non-Member School team playing in a College Sport Auckland Competition will be the standard entry fee plus an additional fee of \$8.50 per student competing. This additional fee is based on the College Sport Auckland levies.
