Primary Caregiver Relocation Exemption Application

Where the primary caregiver of a student who lives outside the College Sport Auckland region has moved to within the College Sport Auckland region and, **as a consequence of this relocation**, the student could not reasonably have been expected to remain at their previous school, an application for exemption from Bylaw 5.11 may be submitted (Bylaw 5.12). The application must be on this official PCRE Application Form, be signed by the previous school principal, receiving school principal, primary caregiver and student and have evidence of the address change attached. If the application is not approved, any appeal must be lodged in writing with the College Sport Auckland CEO by the receiving school principal.

Only use this form to seek exemption from the New to School restrictions in Bylaw 5.11: *A New to School student who has transferred from any New Zealand school and has Played one or more fixtures for their previous school's 1st team in a Premier Sport, may not participate in the first half of that sport's Premier Competition for their new school, including any promotion/relegation fixtures. The half season stand down period will be sport-specific, and the actual number of fixtures will be included in the Sanctioned Sport Schedule. The stand down period will be taken from the student's Enrolment date.*

This exemption applies to all sports for the student concerned. The completed application form must be sent to school.sport@collegesport.co.nz at least two weeks prior to the first occasion the student wishes to compete in a Premier Competition.
