Draws & Results

Draws will be available on the College Sport website. Schools are responsible for entering and checking their results in SportsRunner.

Points will be awarded as follows:

- Win = 3 points
- Draw = 2 points
- Loss = 1 point
- Win by default = 3 points (7-0 score)
- Loss by default = 0 points (0-7 score)

If teams are on equal points, the head-to-head result will determine who advances. If still undecided, points differential will determine who advances.

Uniforms & Equipment

- No metal cleats are to be worn
- All students must play in the school's recognised playing uniform
- All players must wear shoes
- All teams shall supply:
 - 1 x approved match ball (.47 core)
 - 1 x catcher's helmet, 1 x chest protector, 1 x set of leg guards
 - 2 x bats
 - 4 x two-eared batting helmets
- Two-eared helmets must be worn in the on-deck circle, whilst batting, whilst base-running
- Catchers must wear a mask, chest protector, and leggings

Rules

All matches will be played as per the [Auckland Softball Association Junior Grade Rules](#) unless otherwise stated

- Diamond dimensions:
 - Junior Boys pitching distance = 14.02 metres
 - Junior Girls pitching distance = 12.19 metres
 - Baselines = 18.29 metres
- Home team is listed on the left side of the draw
- Teams must leave the grounds clean and tidy. If grounds are left damaged and/or untidy, schools will be liable for paying any associated costs

Slowpitch Rules

- 10 players per team (or more if both teams agree) – 6 infielders, 4 outfielders
- This competition will be mixed (5 boys and 5 girls)
- 3 inning – 40-minute games
- Teams bat through all 10 players regardless of outs – 40 at bats in total per game
- Ball must be pitched above the head of the hitter to be a legal pitch – no flat fast pitches
- Normal slowpitch softball rules
- No bunting, no stealing, no lead offs – wait until the ball is hit before leaving the base
- 4 balls, 3 strikes. You are out if the ball is hit foul on your third strike

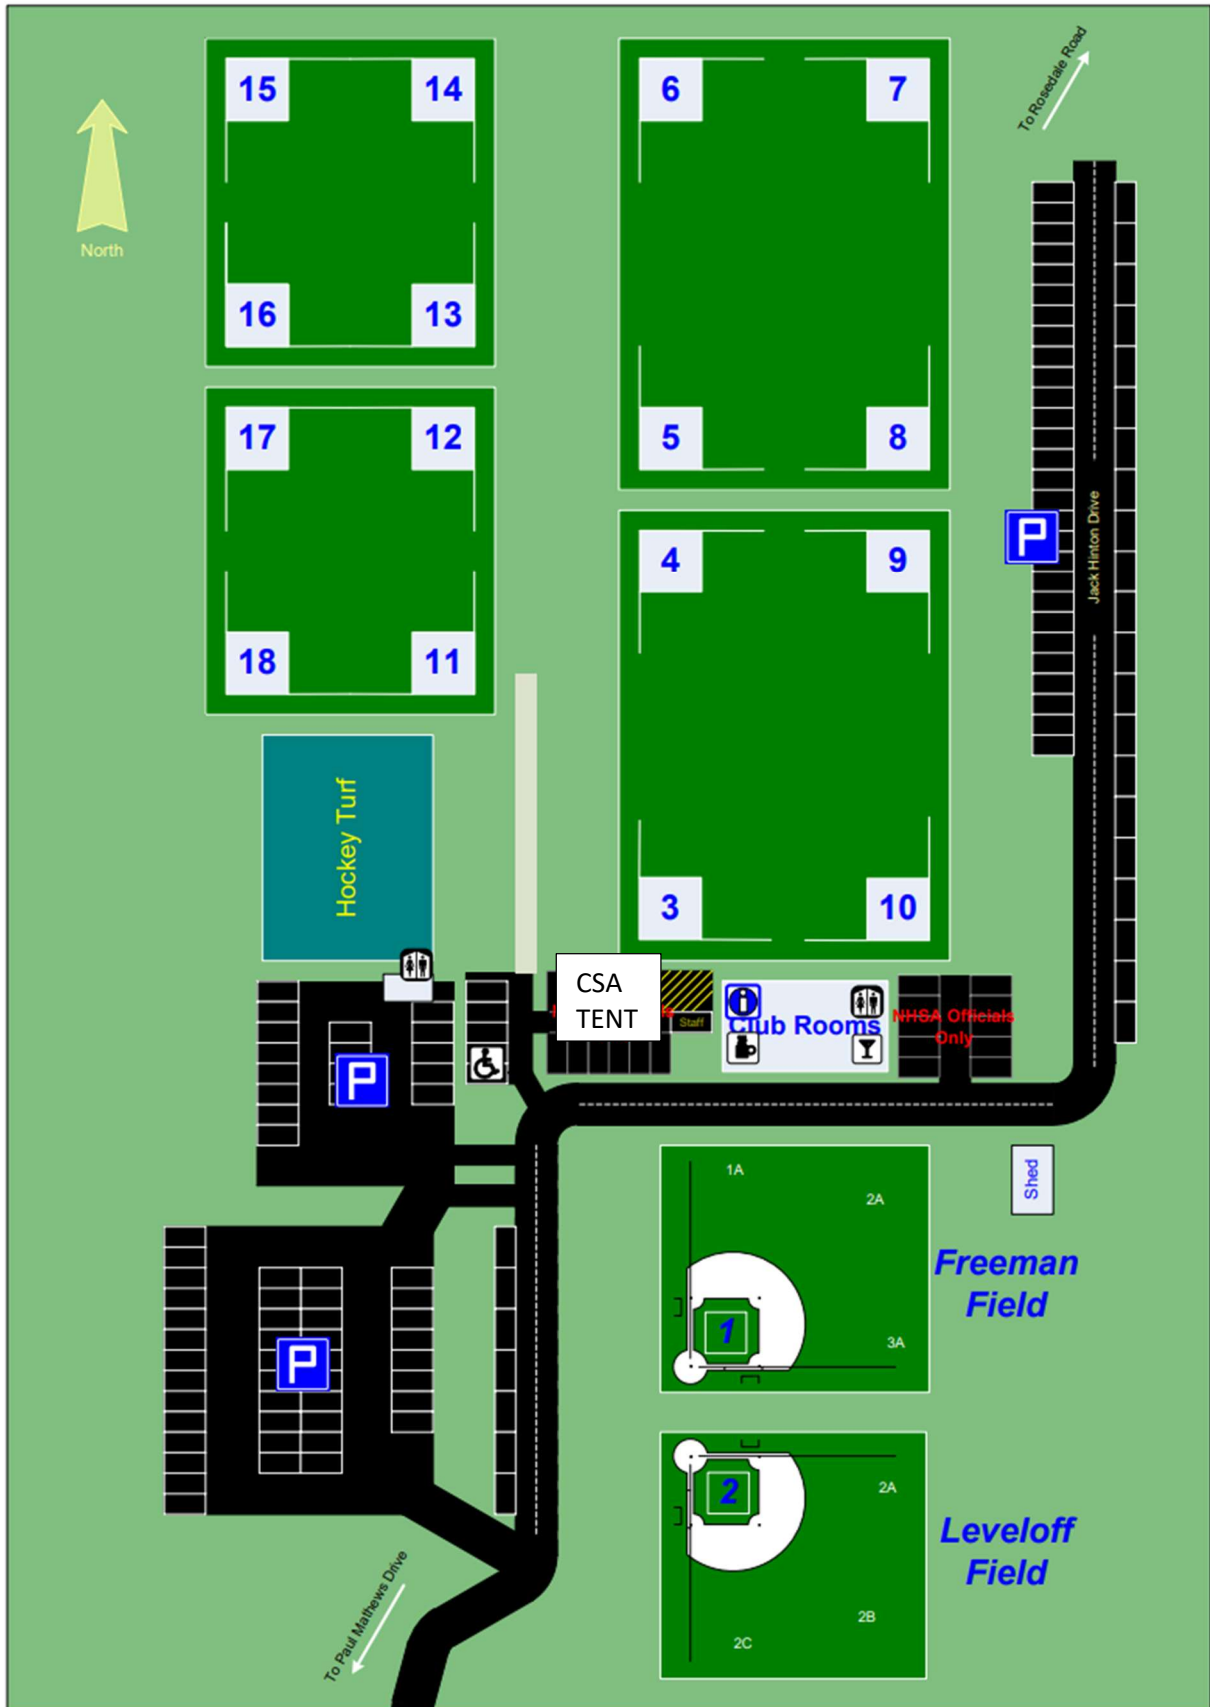

Note:

Every player bats. Regardless of outs. On last hitter team must get the ball in to home plate to close all bases. Remaining baserunners can continue to run until a base in front of them has been closed. If the last hitter is walked all remaining baserunners score including the hitter. The reason for this rule is to make sure the last batter of each team is not intentionally walked to stop them from scoring their teammates. If the ball is thrown to first base the hitter is out but all remaining runners can continue to try and score until the ball is thrown home to close ALL bases.

Fastpitch Rules

- 9 players per team – 6 infielders, 3 outfielders
- Single sex
- 4 innings or 40-minute game – whatever comes first. No new inning after 30 minutes. If team batting second is leading after 30 minutes game is over. If game is not completed in the last 10 minutes a countback is enforced. Last team leading after last complete inning
- Bunting, stealing, lead offs allowed
