Team Management

- All teams must have a supervising adult with them at every game. This person is to complete the score sheet before and after the game where needed, be aware of any medical problems of players in the team, implement the rules of the competition, and supervise the players. Teams without supervision will lose by default.
- Each team is responsible for their own first aid. Teams are also responsible for picking up any rubbish before leaving.

Please be advised: There will be a wider Touch review following the Senior Touch Season. With a potential change in competition structure for 2025, promotion/relegation for premier has not been decided.
