Events

- 50m individual races in freestyle, backstroke, breaststroke, and butterfly, criteria attached
- 4 x 50m relays in freestyle and medley
- 4 x 25m relays in freestyle

Officials

A condition of a school entering is the provision of officials based on the number of swimmers entered (in addition to the team manager). DO NOT SUBMIT YOUR ENTRIES WITHOUT NAMES OF OFFICIALS. Adults are preferred but some year 12 or year 13 students may be used for time keeping only.

- 5 swimmers or less = one official to be provided
- 6 – 12 swimmers = two officials to be provided
- 13 plus swimmers = three officials to be provided

40 officials are required:

Timekeepers x 16, Chief Timekeeper x 1, Inspector of Turns x 4, Judge, Referee, Starter, Marshals x 2, Announcer x 1

Schools should enquire with parents and local swim clubs about the availability of qualified swim officials.

Information & Rules

1. Four zonal/champs events are offered. All events are short course (25m pools).
2. Each event will be timed finals i.e. each age group stroke may have two or three timed finals. Races will be timed manually.
3. A swimmer is restricted to four individual races in the age group entered prior to the start and two relay events, plus the open relays. Swimmers must keep to their age group for the individual races, but may swim up a grade for relay events, provided that they swim no more than two relay events plus the OPEN events. Schools must name the swimmers entered so that this rule is adhered to. Swimmers must swim in the order they are listed. Any changes to a relay team must be lodged before the start of the zone event.
4. **Schools may enter more than one relay team per age group stroke but only one can qualify for the CSA Champion of Champions meet and up to six individuals per age group stroke (knowing that only a maximum of four per grade can qualify for the CSA Champion of Champions). Entries into events or the swapping of events on the day will not be possible.**
5. Each swimmer is advised to wear a swim cap.
6. Acceptable swimwear is required - **NO double togs.**
7. FINA rules apply to each event. A supplementary rule exists for those who wish to start in the water rather than on a starting platform.
8. **Students should be aware of the rule for touches and turns for each stroke (refer to rules).** For breaststroke and butterfly both hands must touch the wall.
9. All events will operate under the one-start rule. At the end of each race, swimmers will wait until the referee's indication before they exit the pool.
10. The organiser may combine relay events if entries are low.
11. Marshalling: Competitors are to report to the marshal before their race. In relay events one team member should report to the marshal.
12. For zone events, a decision on whether the next race start will be over the top before swimmers exit from the previous race will be made on the day. The over-the-top start will apply for the Champion of Champions meet and the CSA Individual Championships meet.
13. The qualifying process from the zone meets to the CSA Champion of Champions will be the fastest 16 times for each race across all four zones (winning the zone does NOT give automatic qualification).
Limit of 4 students per school.
14. The CSA Champion of Champions meet is scheduled for 17 May 2024 at West Wave Aquatic Centre. Warm up begins 9.30am, first race begins 10.00am. tbc

Schedule of Events

Event No	Age Group	Distance	Stroke
1	Junior Girls	100m	Freestyle Relay
2	Junior Boys	100m	Freestyle Relay
3	Senior Girls	100m	Freestyle Relay
